Sub: Market Committees - Study of the functions of the regulated markets of arecanuts in Shimoga in Mysore - permission - requested.

Sir,

The South Kanara Coconut & Arecanut Market Committee at its meeting held on 10-7-52 unanimously resolved to depute Sri. A.P. Subbia, Vice-Chairman of the Committee and the Secretary of the Committee to study the functions of the regulated markets in Shimoga in Mysore State. This Committee has started a small Market Yard at Mangalore for the purpose of regulated marketing of arecanuts and coconuts and these commodities have slowly begun to move into this Market Yard. Shimoga is one of the important centres for the marketing of arecanuts and a study of the market conditions and the functions of the regulated markets of that place will be very helpful to this Market Committee in formulating its various activities.

Shimoga town is outside the Madras State and I, therefore, beg to request that Government may be pleased to permit this Market Committee to depute the Vice-Chairman and the Secretary of this Committee to tour Shimoga area in Shimoga district of Mysore State for about five days in the month of August 1952 or September 1952 to study the working of the market practices. The cost of the tour will be met from the funds of this Market Committee.

The favour of early orders is requested.
